

YOU ARE HELPING TO SUPPORT STUDENTS LIKE...

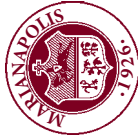

Olivia Summiel '19 “For me, Marianapolis represents family. For these four years of our lives, we are a part of something much bigger than just education. We are surrounded by great mentors, and awesome role models that will impact us for the rest of our lives. The friendships that we make will last a lifetime. I am so grateful to have been given such an amazing opportunity to not only attend school here, but to be welcomed into and continually supported in this great community. They are my family and this family extends all over the world because of the friendships I’ve made with so many international students. Without the Trinity Foundation Scholarship, I would not have been able to come to Marianapolis – and, I am so thankful and so blessed to have received it.”

“Marianapolis provides an extraordinary opportunity for me to become the greatest person that I can be. I am truly grateful that the Trinity Foundation Scholarship has provided me with this chance to excel.”
